

Barclays Investment Banking Presentation at LUISS

Friday 6 March, time: 10.30am – 12.30pm

Location: LUISS, Viale Romania 32, Rome (please check room details with the Careers Service)

Fast paced and international, Barclays Investment Banking Division will see you working and learning in the world's ever-changing financial markets. It's in the Investment Banking Division that complex global solutions in financial advisory, capital raising and risk management are created. They're delivered to major clients such as corporations, governments and financial institutions. And you'll be involved in every stage.

Our Presentation

This event is a great opportunity hear more about Barclays directly from our representatives from the Investment Banking Division and learn more about the Internship and Graduate opportunities in our London and Milan Offices.

One of our Campus Recruiters will also be available to give you information about the application process as well as tips on building a CV and interview techniques.

To register your attendance, please contact the LUISS Careers Service
