

International Graduate Program Corporate & Investment Banking

UniCredit is a **leading European Bank**, combining an international mindset with strong local roots, welcomes people who share a strong can-do spirit and attitude. We look for those who believe in team work and feel responsible for generating value to our customers and communities we all live in.

The **Corporate & Investment Banking (CIB)** Division of UniCredit focuses on corporate clients with an annual turnover above EUR 50 mln. With a service model for corporate clients varying by segments, CIB meets the demands of companies with effective, tailor-made solutions by rapidly evaluating the requirements of an individual company, its growth potential in the long-term and the markets in which it operates. This is why we say that strategic partnership is our profession.

Our offer to you:

Our **International Graduate Program in Corporate & Investment Banking** marks the perfect start of your professional career at UniCredit. The modular-structured program enables you to gain practical know-how in the CIB area. From your target area you will rotate in national and international important interfaces in order to qualify for your target position. A tailor-made training concept in the beginning of your program provides the transfer of your academic knowledge into practical training.
