

# CAREERS WITH THE EUROPEAN UNION

## Current job opportunities

### Vacancies Temporary Staff

Temporary staff may be employed to perform a wide variety of highly specialized or temporary tasks. The length of the employment varies, at the European Commission it is a maximum period of six years. Selection competitions for temporary staff are generally run by the Institutions and Agencies themselves, rather than by the European Personnel Selection Office. Candidates are therefore advised to regularly visit the websites of the Institutions and the EU Agencies if they are interested in such opportunities.

Check regularly for news of current [selections and vacancies](#).  
You can also introduce your details into the [EU CV online](#) database.

Please note: Some vacancies listed here are only open to successful candidates of CAST selections. For further information please contact:
