

Next Generation Women Leaders Award

Be inspired. Make a difference.

McKinsey & Company invites talented women across Europe, the Middle East and Africa, to apply for a Next Generation Women Leaders Award. The Award is open to female students and experienced professionals with any background (e.g., business, technology, marketing).

Winners will be awarded:

- 2,000 Euros (or equivalent in local currency) towards the cost of tuition, summer employment, volunteer work, research, an independent project/entrepreneurial venture, or anything else that the money will help you with
- Individual mentorship from McKinsey consultants
- Guaranteed invite to selected McKinsey events

For more information and to apply, visit us at
www.next-generation-women.mckinsey.com

Please apply before **November 30, 2015**. Choose a location or practice based on your nationality or interest. For example, if you are passionate about **business and technology**, please choose a **Business Technology Office** when you apply
