The Competition Internship must be completed in 10 consecutive weeks by the end of 2017. While entrants with an internship or co-op taking placing 2016 are eligible to participate, if selected as a Competition Winner, entrant may not concurrently complete the Competition Internship (during 2017) at the same time as any other internship or co-op outside the Competition.

Satisfactory completion all GE pre-employment screenings (e.g. drug screen, background check, etc.) and any regional/country-specific application/employment documents are a prerequisite of the Competition Internship. Cash will not be paid in lieu of accepting the Competition Internship. Only Chinese citizens with a Chinese passport will be considered for a Competition Internship at the GRC-Shanghai location due to regional restrictions.

Winners may have an opportunity to extend their internship with the GE GRC, at Sponsor’s sole discretion. Any such extension, including length of extension, salary, room and board, and other associated costs, will be Sponsor’s sole discretion and negotiated outside the scope of the Competition.

**GRAND PRIZE WINNER ONLY – TRIP:** The Grand Prize winner will receive an all-expense-paid trip (the “Trip”) during the Summer of 2016 (at winner’s choice of either the weekend of August 12, 2016 or August 19, 2016) to visit the Global Research Center in Niskayuna, New York (“GE GRC”)

where their “Unimpossible Mission” will be filmed as a part of one of the next three “Unimpossible Missions” video series (the "Grand Prize"). The Grand Prize will include the following:

- Round-trip ground transportation from the Winner’s place of residence to the closest airport (“Winner Airport”);
- Round-trip coach airfare from Winner Airport to Albany International Airport (ALB) in Albany, New York;
- Hotel accommodations for two nights at the GE GRC hotel (the “Lodge”);
- Round-trip transportation between the Albany International Airport and The Lodge;
- Round-Trip transportation between any offsite events if necessary, such as additional filming locations; and
- Meals (breakfast, lunch, and dinner) will be provided at the Lodge from the time of arrival to the time of departure.

If a Grand Prize Winner cannot take the Trip for any reason, Grand Prize Winner will forfeit The Trip and GE may, at its option and in its sole discretion, select an alternate winner of the Grand Prize, or the Grand Prize Trip may not be awarded. All attributes of prize components are subject to change and shall be determined by GE in its sole discretion.

Grand Prize Winner must travel from major airport closest to the Grand Prize Winner's residence, as determined by Sponsors, in their sole discretion. Any picture identification requirements associated with air travel are Grand Prize Winner's responsibility. Sponsor will attempt to accommodate Grand Prize Winner's preferred itinerary, but all specifics thereof will be at Sponsor's discretion. Flight details are subject to availability and airline carrier's regulations and conditions apply. Sponsors are not responsible for lost or mutilated tickets and none will be replaced. Airline tickets are non-refundable, non-transferable, and are not valid for upgrades.

In the event the Grand Prize Winner lives within 100 miles of the GE Global Research Center facility in Niskayuna, New York, ground transportation only (not air transportation) will be provided to and from the hotel.

Travel arrangements must be made through Administrator and Trip must be for either the weekend of August 12, 2016 or August 19, 2016, or Grand Prize will be forfeited and Sponsor will have no further obligation to Winner. If Grand Prize Winner cannot travel on the dates specified by Sponsor, the Grand Prize will be forfeited in its entirety and the Grand Prize may be awarded to an alternate winner, selected by GE from other top entries.

The Trip may not be combined with any other offer and travel may not qualify for frequent flyer miles. The hotel accommodations, airline tickets, and other components of the Grand Prize will be determined at the sole discretion of Sponsor. If any portion of the Grand Prize is not available for any reason then the Sponsor reserves the right to substitute that portion of the prize with another prize of comparable or greater value.

GE will also assume costs of filming and creating the approach suggested in the Grand Prize Winner’s Entry.

Approximate retail value of The Trip is approximately \$3,000 USD. Actual prize value depends on the location of the Grand Prize Winner's residence and dates of travel.

**GRAND PRIZE WINNER ONLY – SCHOLARSHIP:** The Grand Prize winner will receive a scholarship of **up to \$100,000 USD** (the “Scholarship”) **total over up to 3 years** or until completion of the Grand Prize Winner’s degree (“Scholarship Payment Period”)—whichever happens first. The Scholarship is to be used only for undergraduate tuition or on-campus room and board. The Scholarship will be paid directly to the Grand Prize Winner’s university or college starting in 2017 and will be split evenly per year over the Scholarship Payment Period. The Scholarship may not be paid in a lump sum unless Scholarship Payment Period is one year. The Scholarship may not be used to pay for any other fees, extracurricular activities costs, extraneous charges, campus regulation violation payments, etc. **UNDER NO CIRCUMSTANCES WILL GRAND PRIZE WINNER BE ENTITLED TO AN EQUIVALENT CASH PAYMENT IN LIEU OF THE SCHOLARSHIP.**

In order to receive the Scholarship, Grand Prize Winner must undergo verification process, which will include, but is not limited to: sharing current transcript from his/her college or university and undergoing a background check. If the Scholarship will be paid over multiple years, the Grand Prize Winner will be required to submit a current transcript verifying the maintenance of satisfactory work (GPA) within a technical discipline (such as studies in software, digital, sciences, technology, engineering or math-related field) each year. If the student does not maintain satisfactory work (e.g. for those evaluated on a traditional 4 point scale, a minimum of 3.0/4.0 for undergraduates, and 3.3/4.0 for graduate students), the Scholarship will be withdrawn.

If the Grand Prize Winner wishes to continue his/her education beyond his/her undergraduate studies within the three year timeframe (prior to 2020) and a portion of the Scholarship funding still remains, Grand Prize Winner will be eligible to apply the remaining Scholarship funds toward pursuit of an advanced (or graduate) degree.

This advanced (or graduate) degree must have an academic focus in a technical discipline (such as studies in software, digital, sciences, technology, engineering or math-related field), as well as advanced studies must begin no longer than six months after completion of Grand Prize Winner’s undergraduate degree.

The application of Scholarship funding toward continued education through an advanced technical degree must be approved by Sponsor. This approval process will include, but is not limited to: sharing advanced degree program acceptance letter and current transcript from his/her undergraduate college or university with Sponsor.

Scholarship disbursement conditions (as aforementioned) will still apply if applied toward an advanced degree.

Any remaining portion of the Scholarship cannot be applied to any additional studies, education or professional development beyond completion of the first advanced degree (as described above).

If Grand Prize Winner already has received a scholarship(s) from outside of this Competition that cover all of his/her undergraduate tuition, the Grand Prize Winner still may be eligible to receive the Scholarship. In this case, the Scholarship is to be used only for undergraduate on-campus room and board. Scholarship disbursement conditions will be as aforementioned.

If any Scholarship funding remains after application to on campus room and board, Grand Prize Winner will be eligible to apply the remaining Scholarship funds toward alternative professional development opportunities—for which approval will be determined on an individual basis, at GE's sole discretion, which may include, but shall not be limited to: certification/training around leadership at a GE Learning Center (such as GE Crotonville programs) or technical development at GE training facility or other accredited professional organization.

Competition Winners are responsible for any transportation not specifically noted in these Official Rules. Winner prizes do not include assistance with travel costs or other expenses associated with obtaining a passport, if required. All costs and expenses associated with winners' acceptance and use of prizes which are not listed herein as part of the prize, including, without limitation, ground transportation (other than that specified herein), luggage fees, souvenirs, miscellaneous hotel expenses, and gratuities are the sole responsibility of winners. **No cash in lieu of designated prizes.** No substitution of prizes is permitted except by GE. Prizes are not assignable or transferable.

Competition Sponsor reserves the right to award fewer than three (3) winners, or no winners, if in Competition Sponsor's sole discretion, an insufficient number of eligible Entries meet the Judging Criteria. Competition Sponsors also may, at their own discretion and based on the merits of the proposed approach, explore additional opportunities for the Entrant, even if the Entry is not a Competition Prize or Grand Prize winner.

AS A CONDITION FOR RECEIPT OF THE COMPETITION PRIZES, ALL WINNERS WILL BE REQUIRED TO EXECUTE ADDITIONAL DOCUMENTATION, WHICH MAY INCLUDE BUT IS NOT LIMITED TO A DECLARATION OF ELIGIBILITY AND RELEASE.

All potential winners will be notified by the e-mail address provided in the Entry. Return of any notification as "undeliverable" will result in disqualification. All prize awards are subject to verification of eligibility and compliance with these Official Rules. Sponsors reserve the right to examine Entries for compliance with the Competition Rules. Prize winners may, subject to applicable laws and regulations, be screened to ensure they are not included on any Government Watch List.

All decisions of the Sponsors and Judges will be final and binding on all matters relating to this Competition. After verification of eligibility and receipt of the requisite documents, awards will be distributed in the form of a check addressed to the official representative specified in the winning Entry. That official representative will have sole responsibility for further distribution of any cash award among participants in a group Entry or within a company or institution that has submitted an Entry through that representative. No substitution or transfer of prize awards is permitted. The Competition Prize will be awarded per winning Entry, not per Entrant or number of persons involved in the Entry.

This is a contest of skill. Whether or not your Entry is determined as a winner depends on how your Entry compares to the other Entries submitted in the Competition when evaluated based on the Judging Criteria. All prizes are a one-time offer and there is no offer of licensure, royalty, or other financial compensation implied beyond the award. You are responsible for all taxes and reporting related to any award that you receive as part of the Competition

16. **LIMITATION OF LIABILITY:** By participating in the Competition, you agree to release, indemnify and hold harmless GE and NineSigma and their respective affiliates, subsidiaries, advertising and promotions agencies, as applicable, and each of their respective agents, representatives, officers, directors, shareholders, and employees (collectively, "Sponsor Entities") from and against any injuries, losses, damages, claims, actions and any liability of any kind (including attorneys' fees) resulting from or arising out of your participation in, association with or submission to the Event (including any claims alleging that your Entry infringes, misappropriates or violates any third party's intellectual property rights). Sponsor Entities are not responsible for any miscommunications such as technical failures related to computer, telephone, cable, and unavailable network or server connections, related technical failures, or other failures related to hardware, software or virus, or incomplete, late or misdirected Entries. Any compromise to the fair and proper conduct of this Competition may result in the disqualification of an Entry, termination of the Competition, or other remedial action, at the sole discretion of the Sponsor. GE and NineSigma reserve the right in their sole discretion to extend or modify the dates of the Competition, and to change the terms of these Official Rules governing any Phase or portion thereof taking place after the effective date of any such change. By entering, you agree to these Official Rules and to all decisions of GE and NineSigma, and/or all of their respective agents, which are final and binding in all respects.
17. **NO OBLIGATION:** You acknowledge that multiple participants may submit Entries that contain designs, concepts or technologies similar to your Entry and that Competition Sponsor and/or their respective subsidiaries and business partners may already be investigating or developing technical solutions or business activities that are related or similar to those that you disclose in your Entry. You acknowledge and agree that Competition Sponsor's actions with respect to another Entry or one of their own solutions or business activities, even if similar to your Entry, shall not create in Competition Sponsors any liability to you or others. Further, Competition Sponsor is not or shall not be restricted in any way from pursuing, developing, or commercializing, in any way that they see fit, independent of you and at their sole discretion, any technology that is created independent of your Entry. For the avoidance of doubt, you acknowledge that Competition Sponsor is not obligated to take any action whatsoever with regard to your Entry.
18. **SEVERABILITY:** The invalidity or unenforceability of any provision of these Official Rules shall not affect the validity or enforceability of any other provision. In the event that any provision is determined to be invalid or otherwise unenforceable or illegal, these Official Rules shall otherwise remain in effect and be construed in accordance with their terms as if the invalid or illegal provision was not contained herein.

19. **WAIVER:** By entering the Competition, you waive all rights to seek injunctive or equitable relief, or to claim punitive, incidental or consequential damages, or attorneys' fees.
20. **APPLICABLE LAW:** You agree that these terms and the relationship between you and the Sponsors shall be governed by the laws of the United States and the State of New York.

You acknowledge and agree that all aspects and content of your Entry, including the Entry IP (as defined herein), shall be treated as if made in the United States and United States laws relating to patents, inventions, assignments and compensation shall supersede the relevant laws of any country in which the Entry, including the Entry IP (as defined herein), may have been conceived and/or made.

For Entrants living outside the United States, you specifically acknowledge that you accept the practices and policies outlined in these Official Rules and in the Privacy Policy for the Competition Website and consent to having your data transferred to and processed in the United States and in other countries as needed for GE's business purposes.
